240-Hour Visa-Free Transit in China

China is implementing a 10-day (240 hours) visa-free transit policy. The transit program allows visitors who have existing flight bookings from China to a third country (region) to snag a visa on arrival at a Chinese airport (port) and stay for 10 days before departure. Hong Kong, Macao and Taiwan all count as third destinations.

Passport holders of 55 countries, including the United States and the United Kingdom, can enter visa-free through any of the 60 open airports (ports) in 24 provincial regions, covering popular tourist cities like Beijing, Shanghai, Xi'an, Chengdu and Guangzhou.
